ACTUARIO

TRIBUNAL ELECTORAL
DE TLAXCALA

OSDY HERNANDEZ BAUTISTA

The first part of the report deals with the general situation in the country. It is noted that the economy is in a state of depression and that the government is unable to meet its obligations. The report also mentions that the population is suffering from lack of food and shelter.

The second part of the report discusses the political situation. It is noted that the government is weak and that there is a lack of unity among the different political groups. The report also mentions that the military is a major power in the country.

The third part of the report discusses the social situation. It is noted that there is a high level of unemployment and that the social services are inadequate. The report also mentions that there is a high level of crime and that the justice system is inefficient.

The fourth part of the report discusses the international situation. It is noted that the country is isolated and that it has few friends. The report also mentions that the country is a target of international aggression.

The fifth part of the report discusses the future of the country. It is noted that the country needs a strong and stable government. The report also mentions that the country needs to be reformed and that it needs to be integrated into the international community.

The sixth part of the report discusses the role of the military. It is noted that the military is a major power in the country and that it has the potential to bring about change. The report also mentions that the military should be reformed and that it should be subordinated to the civilian government.

The seventh part of the report discusses the role of the population. It is noted that the population is a major asset of the country and that it has the potential to bring about change. The report also mentions that the population should be educated and that it should be organized.

The eighth part of the report discusses the role of the economy. It is noted that the economy is a major asset of the country and that it has the potential to bring about change. The report also mentions that the economy should be reformed and that it should be integrated into the international economy.
